Summer of 69 – Bryan Adams

I got my first real six-string
Bought it at the five-and-dime
Played it 'till my fingers bled
Was the summer of 69

Me and some guys from school
Had a band and we tried real hard
Jimmy quit and Joey got married
Shoulda known we'd never get far

Oh when I look back now
That summer seemed to last forever
And if I had the choice
Yeah , I'd always wanna be there
Those were the best days of my life

Ain't no use in complainin'
When you got a job to do
Spent my evenin's down at the drive-in
And that's when I met you yeah

Standin' on your Mama's porch
You told me that you'd wait forever
Oh and when you held my hand
I knew that it was now or never
Those were the best days of my life
Back in the summer of 69

Man we were killin' time
We were young and restless
We needed to unwind
I guess nothin' can last forever, forever, no, yeah

And now the times are changin'
Look at everything that's come and gone
Sometimes when I play that old six-string
I think about you, wonder what went wrong

Standin' on your Mama's porch
You told me that it'd last forever
Oh when you held my hand
I knew that it was now or never
Those were the best days of my life, oh yeah
Back in the summer of 69, uh-huh
It was the summer of 69
oh yeah, me n my baby in 69
It was the summer, the summer, summer of 69

Ein Kompliment – Sportfreunde Stiller

Wenn man so will
Bist du das Ziel einer langen Reise
Die Perfektion der besten Art und Weise
In stillen Momenten leise
Die Schaumkrone der Woge der Begeisterung
Bergauf, mein Antrieb und Schwung

Refrain:

Ich wollte dir nur mal eben sagen
Dass du das Größte für mich bist
Und sichergehen, ob du denn dasselbe für mich fühlst
Für mich fühlst

Wenn man so will
Bist du meine Chill-Out Area
Meine Feiertage in jedem Jahr
Meine Süßwarenabteilung im Supermarkt
Die Lösung, wenn mal was hakt
So wertvoll, dass man es sich gerne aufspart
Und so schön, dass man nie darauf verzichten mag

Refrain x2

Blowing in the Wind – Bob Dylan

How many roads must a man walk down
Before you call him a man?
How many seas must the white dove sail
Before she sleeps in the sand?
Yes, and how many times must the cannonballs fly
Before they are forever banned?

Refrain:

The answer, my friend, is blowin' in the wind
The answer is blowin' in the wind

Yes, and how many years can a mountain exist
Before it is washed to the sea?
Yes, and how many years can some people exist
Before they're allowed to be free?
Yes, and how many times can a man turn his head
And pretend that he just doesn't see?

Refrain

Yes, and how many times must a man look up
Before he can see the sky?
Yes, and how many ears must one man have
Before he can hear people cry?
Yes, and how many deaths will it take 'til he knows
That too many people have died?

Refrain x2

Miss American Pie – Don McLean

A long, long time ago - I can still remember how that music used to make me smile
And I knew if I had my chance that I could make those people dance
And maybe they'd be happy for a while

But February made me shiver, with every paper I'd deliver
Bad news on the doorstep, I couldn't take one more step

I can't remember if I cried, when I read about his widowed bride
But something touched me deep inside, the day the music died

Refrain:

So bye-bye, Miss American Pie
Drove my Chevy to the levee, but the levee was dry
And them good old boys were drinkin' whiskey and rye
Singin' "This'll be the day that I die
This'll be the day that I die"

Did you write the book of love, and do you have faith in God above
If the Bible tells you so?
Now do you believe in rock and roll, can music save your mortal soul
And can you teach me how to dance real slow?

Well, I know that you're in love with him
'Cause I saw you dancin' in the gym
You both kicked off your shoes
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck
With a pink carnation and a pickup truck
But I knew I was out of luck
The day the music died

Refrain

Now for ten years we've been on our own, and moss grows fat on a rollin' stone
But that's not how it used to be
When the jester sang for the king and queen in a coat he borrowed from James Dean
And a voice that came from you and me

Oh, and while the king was looking down
The jester stole his thorny crown
The courtroom was adjourned
No verdict was returned

And while Lenin read a book on Marx
A quartet practiced in the park
And we sang dirges in the dark
The day the music died

Refrain

Save Tonight – Eagle Eye Cherry

Go on and close the curtains
'Cause all we need is candlelight
You and me, and a bottle of wine
To hold you tonight (oh)

Well we know I'm going away
And how I wish, I wish it weren't so
So take this wine and drink with me
And let's delay our misery

Refrain:

Save tonight and fight the break of dawn
Come tomorrow, tomorrow I'll be gone
Save tonight and fight the break of dawn
Come tomorrow, tomorrow I'll be gone

There's a log on the fire
And it burns like me for you
Tomorrow comes with one desire
To take me away (ohh it's true)

It ain't easy to say good-bye
Darlin' please, don't start to cry
'Cause girl you know I've got to go (oh)
And Lord I wish it wasn't so

Refrain

Tomorrow comes to take me away
I wish that I, that I could stay
But girl you know I've got to go (oh)
And Lord I wish wasn't so

Refrain x2

Wonderwall – Oasis

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now

Backbeat the word was on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody
Feels the way I do about you now

Pre-Chorus:

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would like to say to you
But I don't know how

Refrain:

Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
I don't believe that anybody
Feels the way I do about you now

Pre-Chorus

Refrain x2

Über den Wolken – Reinhard May

Wind Nord/Ost, Startbahn null-drei
Bis hier hör' ich die Motoren
Wie ein Pfeil zieht sie vorbei
Und es dröhnt in meinen Ohren
Und der nasse Asphalt bebt
Wie ein Schleier staubt der Regen
Bis sie abhebt und sie schwebt
Der Sonne entgegen

Refrain:

Über den Wolken
Muss die Freiheit wohl grenzenlos sein
Alle Ängste, alle Sorgen
Sagt man
Blieben darunter verborgen
Und dann
Würde was uns groß und wichtig erscheint
Plötzlich nichtig und klein

Ich seh' ihr noch lange nach
Seh' sie die Wolken erklimmen
Bis die Lichter nach und nach
Ganz im Regengrau verschwimmen
Meine Augen haben schon
Jenen winz'gen Punkt verloren
Nur von fern' klingt monoton
Das Summen der Motoren

Refrain

Dann ist alles still, ich geh'
Regen durchdringt meine Jacke
Irgendjemand kocht Kaffee
In der Luftaufsichtsbaracke
In den Pfützen schwimmt Benzin
Schillernd wie ein Regenbogen
Wolken spiegeln sich darin
Ich wär' gern mitgeflogen

Refrain

Mrs. Robinson – Simon & Garfunkel

Refrain:

And here's to you, Mrs. Robinson
Jesus loves you more than you will know
Whoa, whoa, whoa
God bless you, please, Mrs. Robinson
Heaven holds a place for those who pray
Hey hey hey, hey hey hey

We'd like to know a little bit about you for our files
We'd like to help you learn to help yourself
Look around you, all you see are sympathetic eyes
Stroll around the grounds until you feel at home

Refrain

Hide it in a hiding place where no one ever goes
Put it in your pantry with your cupcakes
It's a little secret, just the Robinsons' affair
Most of all, you've got to hide it from the kids

Refrain

Sitting on a sofa on a Sunday afternoon
Going to the candidates' debate
Laugh about it, shout about it when you've got to choose
Every way you look at it, you lose

Where have you gone, Joe DiMaggio?
A nation turns its lonely eyes to you
Woo, woo, woo
What's that you say, Mrs. Robinson?
Joltin' Joe has left and gone away
Hey hey hey, hey hey hey

Refrain

Whats up – 4 Non Blondes

25 years of my life and still
I'm trying to get up that great big hill of hope
For a destination
I realized quickly when I knew I should
That the world was made of this brotherhood of man
For whatever that means

Pre-Chorus:

And so I cry sometimes
When I'm lying in bed
Just to get it all out
What's in my head
And I, I am feeling a little peculiar.
And so I wake in the morning
And I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs
What's going on?

Refrain:

And I say:
Hey yeah yeah yeaah!
Hey yeah yeah.
I said hey,
What's going on?

Uhh, uh, uhuhuh uhuhuh
Uhh, uh, uhuhuh uhuhuh

And I try
Oh my god do I try
I try all the time
In this institution

And I pray
Oh my god do I pray
I pray every single day
For a revolution.

Pre-Chorus

Refrain x2

Uh, uh, uhuhuh uhuhuh

25 years of my life and still
I'm trying to get up that great big hill of hope
For a destination

Let it be – The Beatles

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom
Let it be

And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom
Let it be

Refrain:

Let it be, let it be,
let it be, let it be
Whisper words of wisdom
Let it be

And when the broken-hearted people
Living in the world agree
There will be an answer
Let it be

For though they may be parted
There is still a chance that they will see
There will be an answer
Let it be

Refrain x2

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow
Let it be

I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom
Let it be-e

Refrain x2

Sweet Home Alabama – Lynyrd Skynyrd

Big wheels keep on turning
Carry me home to see my kin
Singing songs about the Southland
I miss Alabamy once again
And I think its a sin, yeah

Well I heard Mr.Young sing about her
Well I heard ol' Neil put her down
Well I hope Neil Young will remember
A southern man don't need him around anyhow

Refrain:

Sweet home Alabama
Where the skies are so blue
Sweet home Alabama
Lord, I'm coming home to you

In Birmingham they love the governor **uh, uh, uh**
Now we all did what we could do
Now Watergate does not bother me
Does your conscience bother you? *(Tell the truth)*

Refrain

Now Muscle Shoals has got the Swampers
And they've been known to pick a song or two *(yes they do)*
Lord they get me off so much
They pick me up when I'm feeling blue
Now how about you?

Refrain

Sweet home Alabama
Oh, sweet home baby
Where the skies are so blue and the governor's true
Sweet home Alabama
Lordy
Lord I'm coming home to you, woo-woo
Yeah, yeah
Montgomery's got the answer

Hotel California – Eagles

On a dark desert highway, cool wind in my hair
Warm smell of colitas rising up through the air
Up ahead in the distance I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night
There she stood in the doorway, I heard the mission bell
I was thinking to myself this could be Heaven or this could be Hell
Then she lit up a candle and she showed me the way
There were voices down the corridor I thought I heard them say

Refrain:

Welcome to the Hotel California
Such a lovely place (*Such a lovely place*)
Such a lovely face
Plenty of room at the Hotel California
Any time of year (*Any time of year*)
You can find it here

Her mind is Tiffany twisted, she got the Mercedes Benz, uh
She got a lot of pretty, pretty boys that she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget
So I called up the captain, "Please bring me my wine"
He said, "We haven't had that spirit here since 1969"
And still those voices are calling from far away
Wake you up in the middle of the night just to hear them say

Refrain

Mirrors on the ceiling, the pink champagne on ice
And she said, "We are all just prisoners here of our own device"
And in the master's chambers they gathered for the feast
They stab it with their steely knives but they just can't kill the beast
Last thing I remember I was running for the door
I had to find the passage back to the place I was before
"Relax," said the night man, "We are programmed to receive
You can check out any time you like but you can never leave"

Refrain

Redemption Song – Bob Marley

Old pirates, yes, they rob I;
Sold I to the merchant ships,
Minutes after they took I
From the bottomless pit.
But my hand was made strong
By the hand of the almighty.
We forward in this generation
Triumphantly

Refrain:

Won't you help to sing
these songs of freedom
'cause all I ever have:
Redemption songs
Redemption songs

Emancipate yourselves from mental slavery;
None but ourselves can free our minds.
Have no fear for atomic energy,
'Cause none of them can stop the time
How long shall they kill our prophets,
While we stand aside and look
Oh! Some say it's just a part of it:
We've got to fulfill the book.

Refrain

Emancipate yourselves from mental slavery;
None but ourselves can free our mind.
Wo! Have no fear for atomic energy,
'Cause none of them-a can-a stop-a-the time
How long shall they kill our prophets,
While we stand aside and look?
Yes, some say it's just a part of it:
We've got to fulfill the book.

Refrain

These songs of freedom,
Songs of freedom.

Tage wie diese – Die toten Hosen

Ich wart' seit Wochen auf diesen Tag
Und tanz' vor Freude über den Asphalt
Als wär's ein Rhythmus, als gäb's ein Lied
Das mich immer weiter durch die Straßen zieht
Komm' dir entgegen, dich abzuholen, wie ausgemacht
Zu derselben Uhrzeit, am selben Treffpunkt, wie letztes Mal

Durch das Gedränge der Menschenmenge
Bahnen wir uns den altbekannten Weg
Entlang der Gassen, zu den Rheinterrassen
Über die Brücken, bis hin zu der Musik
Wo alles laut ist, wo alle drauf sind, um durchzudrehen
Wo die Anderen warten, um mit uns zu starten und abzugehen

An Tagen wie diesen wünscht man sich Unendlichkeit
An Tagen wie diesen haben wir noch ewig Zeit
Wünsch ich mir Unendlichkeit

Das hier ist ewig, ewig für heute
Wir stehen nicht still für eine ganze Nacht
Komm ich trag dich durch die Leute
Hab keine Angst, ich gebe auf dich Acht
Wir lassen uns treiben, tauchen unter, schwimmen mit dem Strom
Drehen unsere Kreise, kommen nicht mehr runter, sind schwerelos

An Tagen wie diesen wünscht man sich Unendlichkeit
An Tagen wie diesen haben wir noch ewig Zeit
In dieser Nacht der Nächte, die uns soviel verspricht
Erleben wir das Beste, kein Ende ist in Sicht

Country Roads – John Denver

Almost heaven, West Virginia
Blue Ridge Mountains
Shenandoah River -
Life is old there
Older than the trees
Younger than the mountains
Growin' like a breeze

Refrain:

Country Roads, take me home
To the place I belong
West Virginia, mountain momma

All my memories gathered 'round her
Miner's lady, stranger to blue water
Dark and dusty, painted on the sky
Misty taste of moonshine
Teardrops in my eye

Refrain

I hear her voice
In the mornin' hour she calls me
The radio reminds me of my home far away
And drivin' down the road I get a feelin'
That I should have been home yesterday, yesterday

Refrain x2

Altes Fieber – Die toten Hosen

Wo sind diese Tage
An denen wir glaubten
Wir hätten nichts zu verlieren

Wir machen alte Kisten auf
Holen unsere Geschichten raus
Ein großer, staubiger Haufen Altpapier

Wir hören Musik von früher
Schauen uns verblasste Fotos an
Erinnern uns, was mal gewesen war

Und immer wieder
Sind es dieselben Lieder
Die sich anfühlen
Als würde die Zeit stillstehen

Ich geh' auf meine Straße
Lauf' zu unserem Laden
Seh' euch alle da sitzen
Weiß, dass ich richtig bin

In welchen Höhen und welchen Tiefen
Wir gemeinsam waren
Drei Kreuze, dass wir immer noch hier sind

Und immer wieder
Sind es dieselben Lieder
Die sich anfühlen
Als würde die Zeit stillstehen
Denn es geht nie vorüber
Dieses alte Fieber
Das immer dann hochkommt
Wenn wir zusammen sind

Wir stoßen an
Mit jedem Glas
Auf alle, die draufgegangen sind

Hey Soul Sister – Train

Your lipstick stains
On the front lobe of my left side brain
I knew I wouldn't forget you
And so I went and let you blow my mind

Your sweet moonbeam
The smell of you in every single dream I dream
I knew when we collided
You're the one I have decided
Who's one of my kind.

Refrain:

Hey, soul sister
Ain't that Mr. Mister
On the radio, stereo
The way you move
Ain't fair you know
Hey, soul sister
I don't wanna miss
A single thing you do
Tonight

Just in time I'm so glad
You have a one track Mind like me.

You gave my life direction
A game show love connection
We can't deny

I'm so obsessed
My heart is bound to beat
Right out my untrimmed chest

I believe in you.
Like a virgin You're Madonna
And I'm always gonna wanna
Blow your mind

Refrain

The way you can cut a rug
Watching you're the only drug I need
You're so gangsta I'm so thug
You're the only one
I'm dreaming of you see
I can be myself now finally
In fact there's nothing I can't be
I want the world to see you be
With me

Refrain

Im Yours – Jason Mraz

Well you done done me and you bet I felt it
I tried to be chill but you're so hot that I melted
I fell right through the cracks, now I'm trying to get back

Before the cool done run out I'll be giving it my bestest
And nothing's going to stop me but divine intervention
I reckon it's again my turn to win some or learn some

But I won't hesitate no more, no more
It cannot wait, I'm yours

Well open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find love love love love

Listen to the music of the moment people, dance and sing
We're just one big family
And it's our God-forsaken right to be loved loved loved loved loved

So I won't hesitate no more, no more
It cannot wait, I'm sure
There's no need to complicate, our time is short
This is our fate, I'm yours

D-d-do do you, but do you, d-d-do
But do you want to come on
Scooch on over closer dear
And I will nibble your ear

I've been spending way too long checking my tongue in the mirror
And bending over backwards just to try to see it clearer
But my breath fogged up the glass
And so I drew a new face and I laughed

I guess what I be saying is there ain't no better reason
To rid yourself of vanities and just go with the seasons
It's what we aim to do, our name is our virtue

But I won't hesitate no more, no more
It cannot wait, I'm yours

Come on and open up your mind and see like me
Open up your plans and damn you're free
Look into your heart and you'll find that the sky is yours

So please don't, there's no need
There's no need to complicate
'Cause our time is short
This is, this is, this is our fate
I'm yours

Boulevard of Broken Dreams – Green Day

I walk a lonely road
The only one that I have ever known
Don't know where it goes
But it's home to me and I walk alone

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
and I'm the only one and I walk alone

I walk alone, I walk alone
I walk alone, I walk a...

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone

Ah-ah, Ah-ah, Ah-ah, Aah-ah,
Ah-ah, Ah-ah, Ah-ah

I'm walking down the line
That divides me somewhere in my mind
On the border line
Of the edge and where I walk alone

Read between the lines
What's fucked up and everything's alright
Check my vital signs
I know I'm still alive and I walk alone

I walk alone, I walk alone
I walk alone, I walk a...

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone

Ah-ah, Ah-ah, Ah-ah, Aah-ah
Ah-ah, Ah-ah

I walk alone, I walk a...

I walk this empty street
On the Boulevard of Broken Dreams
Where the city sleeps
And I'm the only one and I walk a...

My shadow's the only one that walks beside me
My shallow heart's the only thing that's beating
Sometimes I wish someone out there will find me
'Til then I walk alone...

Apologize – One Republic

I'm holding on your rope
Got me ten feet off the ground
And I'm hearing what you say
But I just can't make a sound

You tell me that you need me
Then you go and cut me down, but wait
You tell me that you're sorry
Didn't think I'd turn around and say

Refrain:

That it's too late to apologize, it's too late
I said it's too late to apologize, it's too late
Too late, oh

I'd take another chance, take a fall
Take a shot for you
And I need you like a heart needs a beat
But it's nothing new, yeah yeah

I loved you with a fire red, now it's turning blue
And you say sorry like the angel
Heaven let me think was you
But I'm afraid

Refrain x2

I'm holding on your rope
Got me ten feet off the ground

Me and my Guitar – Tom Dice

People always say: "Tom, this is going too far"
I'm not afraid to change my dreams
Just me and my guitar

And no one may ever know
The feelings inside my mind
'Cause all of the lines I ever write
Are running out of time

Pre-Chorus:

So maybe I should get a nine to five
And I don't wanna let it go
There's so much more to life

Refrain:

Tell me, did I get it wrong?
Tell me everything will be okay
And before I fall
Tell me they'll play my songs
And tell me they'll sing the words I'll sing
When darkness falls
All of the stars will see
Just me and my guitar

Surely I'll find my way
'Cause I'm not afraid to try
Even a world of love and hope
Can't guarantee that prize

Pre-Chorus

Refrain

Try – P!nk

Ever wonder about what he's doing?
How it all turned to lies?
Sometimes I think that it's better
to never ask why

Refrain:

Where there is desire
There is gonna be a flame
Where there is a flame
Someone's bound to get burned
But just because it burns
Doesn't mean you're gonna die
You've gotta get up and try, and try, and try
Gotta get up and try, and try, and try
You gotta get up and try, and try, and try

Funny how the heart can be deceiving
More than just a couple times
Why do we fall in love so easy?
Even when it's not right

Refrain

Ever worry that it might be ruined
And does it make you wanna cry?
When you're out there doing what you're doing
Are you just getting by?
Tell me are you just getting by, by, by?

Refrain x2

Let her go – Passenger

Refrain:

Well you only need the light when its burning low
Only miss the sun when it starts to snow
Only know you love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you're missing home
Only know you love her when you let her go
And you let her go

Staring at the bottom of your glass
Hoping one day you'll make a dream last
But dreams come slow and they go so fast

You see her when you close your eyes
Maybe one day you'll understand why
Everything you touch surely dies

Refrain

Staring at the ceiling in the dark
Same old empty feeling in your heart
Cos love comes slow and it goes so fast

Well you see her when you fall asleep
But never to touch and never to keep
Cos you loved her too much and you dived too deep

Refrain x2

Sieben Tage, sieben Nächte – Wolfgang Petry

Alles hat ein Ende, doch das ist mir egal,
denn wenn du gehst dann komm ich mit
Du läßt mir keine Wahl!
Ich hab' die ganze Zeit nach Dir gesucht
doch nie daran geglaubt
Einmal bist Du Wirklichkeit
und alles ist erlaubt.

Refrain:

Sieben Tage, sieben Nächte,
sieben Wunder und noch mehr
Ich hab' geglaubt, es ist für immer
ich hab' gehofft es ist nicht schwer.
Sieben Tage, sieben Nächte,
sieben Wunder und noch mehr
Doch das eine wird uns bleiben
und das geb' ich nie mehr her.

Wir wollten nur das eine und das weißt du ganz genau
Bist du Engel oder Sünde? Ich wird' aus dir nicht schlau!
Ich hab' die ganze Zeit nach Dir gesucht
doch nie daran geglaubt.
Einmal bist Du Wirklichkeit
und alles ist erlaubt.

Refrain

Radioactive – Imagine Dragons

I'm waking up to ash and dust
I wipe my brow and I sweat my rust
I'm breathing in the chemicals

I'm breaking in, shaping up, then checking out on the prison bus
This is it, the apocalypse
Whoa

Refrain:

I'm waking up, I feel it in my bones
Enough to make my systems blow
Welcome to the new age, to the new age
Welcome to the new age, to the new age
Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive
Whoa, oh, oh, oh, oh, whoa, oh, oh, oh, I'm radioactive, radioactive

I raise my flags, don my clothes
It's a revolution, I suppose
We'll paint it red to fit right in
Whoa

I'm breaking in, shaping up, then checking out on the prison bus
This is it, the apocalypse
Whoa

Refrain

All systems go, the sun hasn't died
Deep in my bones, straight from inside

Refrain

Use somebody – Kings of Leon

I've been roaming around,
always looking down and all I see
Painted faces fill the places I can't reach
You know that I could use somebody
You know that I could use somebody

Someone like you
and all you know and how you speak
Countless lovers
undercover of the street

You know that I could use somebody
You know that I could use somebody
Someone like you

Off in the night while you live it up,
I'm off to sleep
Waging wars to shake the poet and the beat

I hope it's gonna make you notice
I hope it's gonna make you notice

Someone like me
Someone like me
Someone like me, somebody

Go and let it out

Someone like you, somebody
Someone like you, somebody
Someone like you, somebody

I've been roaming around,
always looking down and all I see

Price Tag – Jessie J

Seems like everybody's got a price,
I wonder how they sleep at night
When the sale comes first
And the truth comes second
Just stop for a minute and smile

Why is everybody so serious?
Acting so damn mysterious
Got your shades on your eyes
And your heels so high
That you can't even have a good time

Pre-Chorus:

Everybody look to the left (yeah)
Everybody look to the right
Can you feel that (yeah)
We'll pay them with love tonight

Refrain:

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the (ha) cha-ching cha-ching
Ain't about the (yeah) ba-bling ba-bling
Wanna make the world dance
Forget about the price tag

(Okay) We need to take it back in time
When music made us all unite!
And it wasn't low blows and video hoes,
Am I the only one gettin' tired?

Why is everybody so obsessed?
Money can't buy us happiness
Can we all slow down and enjoy right now
Guarantee we'll be feelin' All right.

Pre-Chorus

Refrain

Yeah yeah
Well, keep the price tag And take the cash back
Just give me six streams and a half stack
And you can keep the cars, Leave me the garage. And all I...
Yes all I need are keys and guitars
And guess what, in 30 seconds I'm leaving to Mars
Yes we leaping across these undefeatable odds
It's like this man, you can't put a price on the life
We do this for the love so we fight and sacrifice every night
So we ain't gon' stumble and fall, never
Waiting to see us in a sign of defeat? Uh-uh
So we gon' keep everyone moving their feet
So bring back the beat and then everyone sing

Refrain
